

HISTORY RECOGNITION DISPLAYS

Traditional - Interactive

1157 designconcepts provides innovative and custom solutions for all types of recognition projects such as donor recognition, halls of fame, history and more. With a focus on nonprofit institutions and a history of nearly 60 years, the company has completed numerous projects for universities and colleges throughout North America.

TRADITIONAL DISPLAYS

- Highlight key moments with digital images and artifacts.
- Information can be presented in a timeline format or collage effect

INTERACTIVE DISPLAYS

- Accomodate a large volume of historical information within a minimal amount of wall space.
- Web based updates provide endless additions of information in a timely fashion

We create recognition systems that inspire, motivate and challenge people to reach beyond their imagination.

HISTORY RECOGNITION DISPLAYS

Wall Mounted - Interactive

1157 designconcepts' Professional Touches

- Variety of materials and creative solutions.
- Proven flexible system to meet wide range of needs - flexibility, cost effective, updateability.
- Years of experience in not-for-profit market - we understand your needs.
- Turnkey approach offers full service for convenient, smooth project management from beginning to end.
- Interactive touch screen capabilities when challenge requires volume of information - donor recognition, special recognition of honorees, history.
- Ability to provide multiple components to create a coherent environment & consistent look.
- Whether traditional or interactive, our proven systems allow you to capture rich heritage or tell your story.

Kate Gleason College of Engineering
