# PROGRAMMING OPTIONS

Complete your order by selecting one or a combination of programming packages.

- Donor Recognition
- History
- President's Message
- Hall of Fame
- Calendar of Events
- General Text

By integrating multimedia technology with our web-based Content Management System (CMS), an administrator can easily add, edit or delete content to your display from any computer. The web-based CMS eliminates any concerns of lost data and IT support. Information is secured on a remote site and does not require any additional software installations or upkeep.

## OTHER STANDARD CABINETRY STYLES

If your design preference differs from the Traditional Model, **1157 designconcepts** offers two additional standard cabinetry styles.
